Center for Health and Learning The Center offers a wide variety of counseling services for children, adolescents and adults. Services include screening, assessment, counseling and referral. The clinic offers many no-cost services for individuals, couples and families. Services are provided at various sites throughout the community, including our clinical counseling offices, community locations and even health clinics located in some schools. All services are provided at times most convenient for the individual, couple or family receiving them. Every effort is made to accommodate busy schedules. Services are available during day and on some evenings. Some programs and most workshop programs are available on evenings and weekends. A sliding scale fee structure for adults, families and couples for certain more specialized assistance allows these services to be provided at the lowest possible cost. Fees for these specialized services are as low as \$30.00. No student or family is turned away or un-served on the basis of financial condition. Las Vegas Special Needs Homeschool Activities Group is a homeschool group open to all families of children with special needs. The intent of the group is to be a social haven for our children to grow, thrive, make friends, and find a place to belong. We feel it is important to show respect for all parents and children and to be courteous when responding to each other. We encourage all parents to share the things your children enjoy and, if you can, schedule those activities, field trips or park days that your children find interesting. http://groups.yahoo.com/group/LVSpecialNeedsHS/	NV Homeschool info: http://www.nevahomeschoolnetwork.com
