2011 Varsity Football Team

The Coronado Football program finished the season at 4-5 and it was easily conceivable for this team to have ended the season at 7-2. For the first time since the conception of the school, Coronado was not out-manned on the line of scrimmage. The credit is given to the program's off-season workouts. The players were diligent with their off-season workouts and wanted to change the program's direction. Coronado's defense finished the season number three in the city with total points and yards given up. The varsity team was led by **Chris Johnson, Damon Goldhammer, James Hudson, Colton Willden, Cody Mucino, Jason Warren, Carl Yonter, Brendan Larsen, Gio Spatola, Evan Cooper, Kieran Eissler, Colton Coss, Derrick Keller** and **Kevin Lucero**. The Cougars look forward to next season with great expectations. The addition of some very talented young players and coaches gives the program a great formula for success. For those young men who are interested in the 2012 season, the journey will start in January if you want to climb aboard.

The 2011 Coronado Women's Golf Team completed the season with a third place finish at the State Tournament. Senior **Melanie Chambers** led the Cougars with a fifth place finish individually. In the Regional tournament, Coronado was second behind Green Valley. With only one senior on the squad leaving, the future is very bright for the Coronado Women's Golf Team.
