

# The Coronado Academy of Advanced Placement

---

## 8th Grade Parents

Parents of Future Coronado High School Students:

Coronado High School is proud to present to you *The Coronado Academy of Advanced Placement*. *The Coronado Academy of Advanced Placement* has been designed for high-achieving, motivated students who desire to follow the best academic path toward success in high school and college.

You are invited to attend an informational meeting:

**February 12, 2019 at 6:00 PM** in the

**Coronado High School Theater**

This presentation will outline *The Coronado Academy of Advanced Placement* and the many benefits it offers to high-achieving, academically-motivated students. Applications will be given out at the presentation.

### **The criteria to apply for The Coronado Academy of Advanced Placement are:**

- ⇒ SBAC Score Minimum: ELA-2600 Math-2600
- ⇒ Grade of an A/B in Accelerated English; recommendation to Honors English in the 9th grade
- ⇒ Grade of an A /B in Algebra/Geometry; recommendation to Honors at the next level (if available)
- ⇒ Grade of an A in Pre-Algebra
- ⇒ You must have an A in either English or Math
- ⇒ Two teacher recommendations (English and Math teachers)
- ⇒ Zoned for Coronado High School

During the presentation parents will:

- \* Get an overview of the AP program from administrators, teachers, and students.
- \* Learn about the mission of Coronado's AP Academy.
- \* Be informed about the academic entrance requirements for the AP Academy, including the suggested course sequence for high school.
- \* Understand the benefits of AP courses.
- \* Have the opportunity to ask questions about the AP Academy high school experience.

We are very excited to meet you and share all the excellent new opportunities that await your student as a future scholar of *The Coronado Academy of Advanced Placement*.

**“Excellence By Design”**
