

Coronado High School Class of 2020 Senior Sunset Farewell Drive-By Parade

Friday, May 1, 2020

7:27PM (SUNSET) – 8:20PM (2020 military time)

CCSD police will be assisting CHS with traffic, safety, and security. Please remain in your vehicles AT ALL TIMES and keep traffic moving at a safe rate of travel once entering the parade route. No U-turns are permitted on streets adjacent to schools, so please follow this and all other traffic rules.

Enter the parade route going SOUTH on Coronado Center at the W. Horizon Ridge intersection in your vehicle.

Parade will start at the property line of CHS.

- Please stay in the right lane of traffic. Teacher, staff, and administrators will be standing on the sidewalk closed to the lane of traffic participating in the parade route.
- Remember, social distancing prevents us from passing items back and forth from cars. However, all the love and messages can freely be shared through open windows. Teachers and staff will remain 6ft. back from traffic.
- Please practice patience and kindness along the parade route. With a large senior class and their families invited to participate, we expect the volume to be large. As the line is moving, please remember to stay in the line once you're part of it. We don't want anyone at risk by trying to bypass another vehicle.

In the bus thoroughfare, we will be delivering all seniors one yard sign provided by Coronado's Senior Class and Student Council. Staff can pass the sign and yard stake through your open window or place it in your trunk. Remember, no getting out of your car at this point.

Please take this time to appreciate a quick senior slideshow presented by the Counseling and College and Career Center. We will be posting this slideshow online in case you missed it as you drive by.

As you turn right onto Rich Perez Dr. proceed toward the parade exit. Participants are encouraged to only do the parade route loop once in order to allow for all students the chance to make the parade route.

Senior Sunset Parade
Drive-by Parade Route

See you soon, Cougs!

Students and families are encouraged to decorate their cars and show all their Cougar Nation pride!

No parking is available along the parade loop route, and all participants must remain in their cars.

We love you, Coronado Seniors.
